

TEXAS FIRST FAMILIES PUBLICATIONS

Texas First Families is a TxSGS heritage certificate program honoring early settlers of Texas and their descendants. The first 5,278 lineages, names, and addresses of the applicants have been published in two volumes. A third volume is planned for applications #5279 and following. To obtain a certificate, each applicant furnished primary proof for each generation from the applicant to the ancestor. Each application and all supporting documentation was verified before a certificate was issued. A searchable index is available online at <http://www.txsgs.org/programs/heritage-certificates/first-families-index/>.
