Searching for your Hispanic ancestors; join our society and find out how with our help! Our Hispanic Genealogical Society was formed to help foster knowledge; training; help; and pride in the search of our ancestors. Prior to the pandemic; our monthly meetings are held at the Clayton Library Center for Genealogical Research. At this time; the library has not yet returned to allowing groups to reserve space for meetings. Among the active membership; the preference is to meet in person. Therefore; acting in an abundance of caution; we are not holding monthly meetings. More information will be shared when it is available.
